This quality laminate flooring is under warranty for 25 years not to fade, wear through or stain. This warranty applies only to the original purchaser and proof of purchase is required for all claims. The warranty is for replacement or refund of the laminate material only. No Labor. The warranty does not cover chipping (laminate will chip if sharp objects are dropped on it), warping (laminate will warp if excessive moisture gets into the boards) or bridging (which is caused by insufficient expansion spacing). We will not consider any claims for these problems. Claims for wear must show a minimum dime size area. This warranty is pro-rated based on the amount of time the floor has been installed.
